Hr. Department, NETSOL

Dear Sir/Madam,

I am writing to express my keen interest in the Web Developer position at **NETSOL**. As a seasoned developer, specializing in **Ruby on Rails**, I am wholeheartedly dedicated to delivering user-centric web solutions. My recent **internship** at **TwinSpider** in Gujrat, Pakistan, where I completed the 'Bugzilla' project, highlights my proficiency in essential technologies of Ruby on Rails. This practical experience, coupled with my educational background in Computer Science from the **University of Gujrat**, has equipped me with the requisite technical knowledge and foundational skills for a successful web development career.

Now I also have an understanding of MERN Stack. I would love to pursue that stack with **NETSOL.**

My curriculum comprised **courses** like Database Systems, Analysis of Algorithms, Web Technologies, software, Android App development, Networking, and design of Graphical User Interfaces, which have assisted me in gaining profound knowledge in the field of **Computer Science**.

I am confident that my background and knowledge in the **Information Technology** arena, coupled with my strong technical skills in software languages, will prove an asset to your organization and add immediate value.

I have enclosed my **resume** and would appreciate an opportunity to talk with you. If you have any questions, please feel free to contact me. I look forward to hearing from you soon.

Abdul Wahab
